

Bakery Call Centre Knowledge Base

This document is the single source of truth for call centre staff supporting customers, delivery partners, internal staff, and the general public.

Use this knowledge base to answer questions accurately, consistently, and safely.

Online Orders

Placing an Online Order

Who this is for: Customers

Summary: Explains how customers can place orders via the website or app.

What agents should say:

Customers can place orders by selecting a branch, choosing products, selecting a date/time, and completing payment online.

Key rules / limits:

- Orders must be placed before the daily cut-off time
- Payment is required at checkout
- Availability varies by branch

If unresolved, escalate to: E-commerce Support Team

Changing or Cancelling an Online Order

Who this is for: Customers

Summary: Explains when and how orders can be amended.

What agents should say:

Orders can be changed or cancelled before preparation begins. Agents must check order status.

Key rules / limits:

- No changes after preparation starts
- Refunds follow standard refund policy

If unresolved, escalate to: Branch Manager or E-commerce Support

Delivery

Delivery Timeframes

Who this is for: Customers & Drivers

Summary: Explains expected delivery windows.

What agents should say:

Delivery windows are estimates and may vary due to traffic or demand.

Key rules / limits:

- Same-day delivery subject to availability
- Delays must be logged

If unresolved, escalate to: Delivery Operations Team

Pickup / Collection

Click & Collect Orders

Who this is for: Customers

Summary: Explains how customers collect orders in-store.

What agents should say:

Customers should present their order confirmation at the counter.

Key rules / limits:

- Orders held until close of business
- Uncollected orders are not refunded

If unresolved, escalate to: Branch Manager

Allergies & Dietary Information

Allergen Enquiries

Who this is for: Customers

Summary: Guidance for handling allergy-related questions.

What agents should say:

Always refer to the official allergen matrix and never guess.

Key rules / limits:

- Never guarantee allergen-free products
- Escalate unclear cases

If unresolved, escalate to: Food Safety Team

Special Events & Custom Orders

Birthday and Celebration Cakes

Who this is for: Customers

Summary: Explains custom cake ordering.

What agents should say:

Custom cakes require advance notice and branch approval.

Key rules / limits:

- Minimum lead time applies
- Design changes limited

If unresolved, escalate to: Custom Orders Team

Sponsorship Opportunities

Community Sponsorship Requests

Who this is for: Public

Summary: Explains how sponsorship requests are handled.

What agents should say:

All requests must be submitted via the official form.

Key rules / limits:

- No verbal commitments
- Marketing review required

If unresolved, escalate to: Marketing Team

Payroll Queries

Payslip and Pay Date Enquiries

Who this is for: Internal Staff

Summary: Handles payroll-related calls.

What agents should say:

Verify identity before discussing payroll details.

Key rules / limits:

- No third-party discussions
- Payroll cut-off dates apply

If unresolved, escalate to: Payroll Team

HR Queries

Holiday and Absence

Who this is for: Internal Staff

Summary: Explains holiday entitlement and sickness reporting.

What agents should say:

Direct staff to HR portal for balances and policies.

Key rules / limits:

- Medical details not discussed on calls
- Formal processes apply

If unresolved, escalate to: HR Team

Opening Times

Standard Opening Hours

Who this is for: All Callers

Summary: Explains standard store hours.

What agents should say:

Opening times vary by branch and holiday.

Key rules / limits:

- Holiday hours differ
- Emergency closures possible

If unresolved, escalate to: Branch Manager

Branch Locations

Finding a Branch

Who this is for: All Callers

Summary: Helps callers locate branches.

What agents should say:

Use postcode or town search to find nearest branch.

Key rules / limits:

- Some branches offer limited services

If unresolved, escalate to: N/A
