

Dental treatment finance options

mydentist offers payment plans allowing you to spread the cost of your treatment. This means you can pay for the treatment you want over a period of time to suit you. Sounds interesting, doesn't it?

[Enquire now](#)

The advantages at a glance

1

Allows you to spread the cost - you can opt to have the treatment you want, when you want it, on a repayment plan to suit your circumstances.

2

Wider choice of treatments - you can access a fuller range of treatments and choose the perfect option for you.

3

Payment terms to suit you - with a range of credit and payment options available, you can choose the one best suited to your circumstances.

4

No up-front deposit option - with no initial financial outlay, you can avoid dipping into your savings or having to find a lump sum to start your treatment.

You can pay using the following methods:

1. Cash - please do not post cash through the letterbox
2. Credit Cards, we take Visa, mastercard and Amex
3. Debit Card - All debit cards are accepted
4. Finance provided by myDentist though V12 finance

You can even split your payments across these methods
